Crockett Enrollment Small.

A misconception is prevalent in some sections about the comparative size of Crockett schools with other schools of the football and basketball district in which it competes. Crockett is the largest town in district 17-AA, but is next to the smallest in white school enrollment. High school figures were not available, but the following are the average daily attendance figures for grades 1-12: Crockett, 703; Jasper, 996; Kirbyville, 898; Livingston, 998; San Augustine, 574. Rusk, who will compete with the above schools in district 18-AA during 1953-54, shows 702.

FIRE DAMAGES DOUG ARNOLD HOME HERE

Fire, believed to have started from a bathroom heater, seriously damaged the residence of Mr. and Mrs. D. H. Arnold in Crockett Sunday afternoon. The volunteer fire department extinguished the flames quickly, but only after extensive damage to the residence and only from the blaze itself, but from water. Much of the household furnishings was removed in time to prevent fire damage and the loss was more or less confined to the building itself.

ROBERT E. LEE

January 19 is a legal holiday because it is the anniversary of the birth of one of the most outstanding characters in all history, General Robert Edward Lee of Virginia and of the Confederate States of America. General Lee was a man of such nobility of character, such fidelity in the discharge of every duty, and such greatness of heart and mind that his name is revered throughout all 48 states and in every civilized country in the world.

Insofar as the pages of history record, no other figure in all time has combined the qualities of military genius, engineering capacity, social graces and Christian character of this matchless leader in victory and defeat of the Confederate armies in the War Between the States.

Robert E. Lee was blessed with a background of generations of ancestors of noble character and distinguished accomplishments. History has said of him that it required 600 years and generation on generation of ancestors of highest character to produce a man to measure up to the qualities which he possessed.

LIVINGSTON DOWNS BULLDOGS 63-27

The Livingston High Lions defeated the Crockett High Bulldogs in the high school gym here Friday night 63 to 27 to conclude their sweep of the first round-rub-in basketball district 17-AA. The Lions were a bit flustered at the outset as Crockett grabbed a 4-0 lead and, after the visitors pulled even, a 9-4 margin. Then the Lions took charge to pull up to a 17-9 margin at the quarter. Crockett pulled up twice within four points in the second period. Then Bob Arnold and Bob Worthington fouled out before the half ended and the Lions were enjoying a 34-16 margin at the half. The visitors were on top by 48-23 as the final period started. Coach Bob Summers gave his reserves a chance in the final half of the contest.

In the B game, played first, the Lions' capable reserves won by a 55 to 22 margin. Crockett broke on top, 3-0, but the visiting B team built up a margin of 15-3 at the quarter and 24-8 at the half. The third quarter saw the bulge go to 47-10. Tiny Johnson King almost single-handedly led a rally that held the Bull Pup more than even in the final quarter.

THE PORTER SPRINGS GIRLS 4-H CLUB

On Monday, January 26, the Porter Springs Girls' 4-H Club met with their sponsor, Mrs. John Sparks. The meeting was called to order by the president, Nancy Sparks. We had our club prayer and pledge. The meeting was carried on in its regular order. We had our secretary, Wanda Faye Easley. She moved into another county and will go to school in Conterville. We were very sorry to lose her. We studied our bulletin layout for our dinner in 4-H. We will have our next meeting the first Friday of February, with our leader, Mrs. Laura Russell.

JASPER COMES HERE DISTRICT GAME TUESDAY NIGHT

The Jasper High Bulldogs, coached by J. M. O'Hanlon, will come to Crockett Tuesday night for a district 17-AA basketball game with Coach Summers' Crockett High Bulldogs. Jasper won handily in the first round game played there and will be favored to repeat easily.

Friday night Coach Summers will take his Crockett quintet to San Augustine for a game that opens the second round of the district schedule. The tall Wolves will be prohibitive favorites to repeat their first round victory, scored on the Crockett floor.

TEXAS SEEDLING SHORTAGE RELIEVED

An apparent shortage of pine seedlings in Texas has been augmented by the purchase of three million three from the Louisiana Forestry Commission. Bruce Stewart, executive secretary of the Texas Forestry Association, advised this week.

Seedlings are sold to landowners by the Texas Forest Service at the cost of production, \$1.25 per thousand. Stewart said. The seedlings are shipped by express. F. O. R. Rusk or they can be picked up at the Alto nursery. Orders should be submitted direct to the Indian Mound Nursery at Alto. The deadline for ordering seedlings is January 31.
