than 600 posts in observance of [Korean] [uncertain] Veterans" Appreciation Week" March 15 to 22nd.

Thousands of these Korean veterans have returned after suffering many hardships, defending our freedom, defending Democracy against Communism, Christianity against Atheism.

The last we can do for them is to let them know that we do appreciate what they have done for us in the defense of the things we hold most dear. Let it never be [said] [uncertain] that we have forgotten them so soon, or that we have neglected [them,] [uncertain] or that we have failed to pray for them, or that we have forgotten to say, We
