"OLD STYLE" MOTHER'S DAYS...
GONE FOREVER
...THANKS TO NATURAL GAS

...AND AREN'T YOU GLAD!

Natural gas service is worth every cent you pay for it... and then some! Consider, for example, the pleasure it brings Mother—not only on "her day," but all through the year. Natural gas eliminated many hours of drudgery in the kitchen, and gave Mother a cooler, cleaner room to prepare the meals. Natural gas made it possible to have plenty of hot water on tap, without using the old tea-kettle method. Natural gas does many of the big jobs in the home—quickly, conveniently, economically. It's the biggest bargain in your home today.
