THE DOMINYS MOVE TO BAY CITY

Mr. and Mrs. William D. Dominys of Pennington moved to Bay City last week. The Dominys lived just over the Trinity county line, but they claimed Pennington as their home address. They recently sold their property to Will McLean Jr. of Crockett and Hayne Thornton of Pennington.

While in Pennington Mr. Dominys was interested in ranching and the gin business. He expects to continue ranching and the gin business in Bay City.

The Dominys were royally entertained by friends in and around Pennington before they left for Bay City with supplies, parties, etc. Mrs. John Dominys Sr. entertained with a supper in her home for the couple, and members of the First Baptist church surprised the couple at the home with a going-away party, at which they received gifts and tokens of love and best wishes from their many friends. Mr. and Mrs. Dominys also entertained in honor of Mr. and Mrs. William D. Dominys.

"Everybody was so nice to us that when the time came to move to Bay City we really hated to go," they said. And from that we know that they are like hundreds of other Houston countrymen who have moved to Bay City, Alaska, Germany or timberland—it just doesn't matter in which town, county or country they live—once a Houston countryman, they will always hold a love for Houston county in their hearts, look forward to visits back home and to news about folks in their old home town and county.

COURIER AND STAFF COMPLIMENTED

College Station, Texas, May 8, 1953.

Mr. W. W. Allen, Editor, Crockett Courier, Crockett, Texas. Dear Mr. Allen: Thanks for sending the three copies of the Courier. I enjoyed looking over the special edition and want to compliment you and your staff on the fine job. I am happy to encourage the amount of material you were able to use that had an Extension Service origin.

Your section of the state has made remarkable strides during the past few years in pasture building and soil improving work and the local newspapers have certainly played a big part in pushing the program by running stories on how to do the job as well as continually pointing out the value of good pasture and livestock. Anytime we can be of service, let us know and we'll do the best we can.

Sincerely,
J. W. Potts, Assistant Extension Editor.

Thank you, Mr. Potts—The Courier

Downpours cause floods in county

Torrential downpours of rain fell in eastern Houston county Sunday afternoon and night. Some hail accompanied the rain, at least in the Pennington section. Reports are that White Rock creek was very high and running over the highway at one time. High water closed highway 287 between Pennington and Groveton for awhile. Other reports are that highway 45 was under water south of Lovelady Sunday night. A heavy downpour, of short duration, occurred in Crockett Sunday afternoon. Heavy rain fell over a large area of east Texas Sunday afternoon, causing further rises in already full streams. Much damage was done to the already bad crop situation in this area by the heavy rains.
