CROCKETT COURIER: MAY 24, 1953

TORNADO DEVASTATION in Waco is shown at left as emergency crews and machines work to clean up the shambles of what was once the R. T. Dennis building. The scene is in Austin Avenue and Fifth Street is shown in operation at the right.

RELIEF OF HUMAN NEEDS PURPOSE OF RED CROSS

The American Red Cross, as the representative of the American people is here to carry out its responsibility by assisting in the relief of human needs, caused by the tornado in Houston county, on Saturday, May 16, 1953.

Mr. Willie Hall, chapter chairman of the Houston county chapter of American Red Cross, and Mr. J. J. Bynum, disaster chairman for the Houston county chapter, are grateful for the cooperation given by individuals and others for the assistance they rendered. The disaster relief program of American Red Cross includes two types of assistance, the emergency relief and the rehabilitation aid. The first comes with the emergency when all effort goes toward meeting the immediate needs of the disaster sufferers, food, clothing, shelter and medical care. The second comes soon after that of permanent rehabilitation. Families affected by the disaster who are unable through their own efforts to meet their disaster-caused needs will find the Red Cross willing to help them. The disaster relief need rather than the loss is the basis for determining the assistance that will be given. A person who has lost heavily in a disaster, but who is able to stand the loss financially without unreasonable hardship, should not ask for assistance. Relief funds have been contributed by the American people, not to take the place of insurance and replace losses, but to provide minimum needs that disaster sufferers cannot meet through their own resources of cash, credit, insurance and earnings. The Red Cross does not make loans to disaster sufferers. What assistance is given, it is a gift from the American people to those in need—given through the medium of the Red Cross. Applications will continue to be taken at the Red Cross office, located in the city hall, Mr. Hall stated, and will be until Monday, May 26. At this time registration will be closed and those persons affected by the tornado who do not feel they can meet their own needs are asked to talk with the disaster representative. The office will remain open after this date until final plans have been made with each individual family who has applied for assistance.

HIGHWAY PATROL WANTS MEN

Austin, May 20—Homer Garrison Jr., director of the Texas Department of Public Safety, announced today that his department is receiving applications for appointment to the position of Texas highway patrolman. Applicants must be males between the age of 21 and 35 years, inclusive, not less than 5 feet 8 inches in height, weighing not less than 150 pounds or more than 250 pounds per inch of height. A high school education or its equivalent is necessary, and the applicant must be a citizen of the United States and a resident of Texas for at least a year immediately prior to application. In addition, they must satisfactorily pass an exhaustive character and mental examination. Those interested in applying are requested to write directly to W. J. Elliott, Chief, Texas Highway Patrol, Austin, for application blanks immediately. Applications will be received and processed up to midnight June 30, 1953.

Mrs. Milford, talking about the storm, said the only way to get friend Milford to pray was to scare him into it, which, in her mind, availed little.

LEGION MEMORIAL PROGRAM LONGVIEW

Longview, May 24—An American Legion Memorial Day program, at which the state commander of the American Legion, Albert D. Brown Jr. of Austin, will be the principal speaker, will be presented here after noon and evening of Friday, May 29, by the local American Legion post, far Legionnaires of the first, third and seventh congressional districts. The program will be presented here after noon and evening of Friday, May 29, by the local American Legion post, far Legionnaires of the first, third and seventh congressional districts. The program will be presented here after noon and evening of Friday, May 29, by the local American Legion post, far Legionnaires of the first, third and seventh congressional districts.

CHAMBER COMMERCE MEMBERSHIP DRIVE

Leila Waring, president of the Chamber of Commerce, announced today that the annual membership and finance drive will get under way next Wednesday and Thursday. The budget for this year has been adopted by the board for \$4000. Waring said this is an increase over last year's budget, but this is the minimum we can successfully operate on. Several important projects have been taken on that will require a lot of attention. It appears there has been a decline in those moving to the great south-west, and we are going to have to work harder than ever to get our share. Shelor Edmonson has been named chairman of the membership and finance committee.

LOCAL STUDENTS IN NEW NATIONAL LIBRARY SCIENCE

Denton, Texas, May 20—Further recognition has come to the Library Science department of the Texas State College for Women with the installation of Alpha Beta Alpha, national library science fraternity. Sue Penny, graduate student from Crockett, is a charter member. She lives at 1104 Houston Avenue, Crockett.

BONNIE BELLE SMITH OF CROCKETT RECEIVES AWARD

Austin, Texas, May 27—Sixty-four high-ranking high school graduates from 41 Texas cities and towns, including Crockett, have been awarded Davidson Freshman scholarships at the University of Texas for the 1953-54 season. Awards are based on good scholarship, character and desire for a college education. The scholarships of \$100 each are given to help the worthy recipients start on their university careers.

Those awarded the Davidson Freshman scholarships for next long session include Miss Bonnie Belle Smith of Crockett.

COOKING BACKACHE'S A THING OF THE PAST

THANKS TO NATURAL GAS

...AND AREN'T YOU GLAD!

No more standing over a hot stove... when you cook with natural gas in a modern, automatic gas range. There's nothing like natural gas for clean, cool, automatic cooking, as any modern homemaker can tell you. Natural gas is a real work saver and time saver in the home. Automatic gas water heating, clothes drying, refrigeration and air-conditioning are some of the other big jobs natural gas performs for so little cost. That's why we think you will agree natural gas service is worth every cent you pay for it... and then some.

COURIER POLICY GETS STRONG ENDORSEMENT

Crockett, Texas, May 21, 1953.

Attention: Mrs. Hattie Belle Mithun.

Dear Hattie Belle:

A few moments ago I read the article that you wrote in the paper captioned, "Eloise Learn It Is No Secret What God Can Do."

I wish to first commend you and the Courier for publishing the article. It indicates that you are interested and concerned about the fundamental things which are causing our nation to deteriorate from within, that is, the lack of Jesus Christ in the hearts of men and women, boys and girls.

If each of our newspapers would exhibit the attitude, interest and boldness that you have, the program of winning souls for Christ and saving our nation would be much easier as well as accelerated tremendously.

Secondly, I wish to personally thank you for not only this article, but also the fine article you wrote prior to our revival. You have been most cooperative with us in our evangelistic efforts. May God bless you and the members of the Courier staff.

Yours truly,

W. A. Turner

P. R. Central Baptist church did not return me to write this letter, but I am sure that the church would join me in wishing God's blessing on you and each member of the Courier staff.

Thank you, Mr. Turner. Thank you very much. With love and appreciation,

SIXTY-TWO YEARS AGO IN HOUSTON COUNTY

The following items are taken from the Courier files of 62 years ago this week.

J. M. Perdue of West Mountain delivered an Alliance lecture at the court house.

Editor W. B. Page was appointed a delegate to the National Editorial Association in 1901.

Charles Long planned improvements on his place.

John and W. V. McConnell bought the lot on which the Courier building stood. They were moving the building. Account of having to move the heavy machinery, the Courier missed an issue.

J. W. Pruitt was here from the Pecos City country.

N. J. and J. R. Mainer of Lovelady city, who had completed the city schoolhouse, residing 424 E. F. Fifer of Wharton bought a 13-acre block south of the W. R. Page home.

Many Crockett people were reported as fishing trips.

Charles Hassell had completed the city schoolhouse, residing 424 E. F. Fifer of Wharton bought a 13-acre block south of the W. R. Page home.

Many Crockett people were reported as fishing trips.

Charles Hassell had completed the city schoolhouse, residing 424 E. F. Fifer of Wharton bought a 13-acre block south of the W. R. Page home.

GENERAL MOTORS LOWEST-PRICED EIGHT!

When it comes to value in a car, look no further than Pontiac—A General Motors Masterpiece!

Here's a brilliant performer with a high-compression eight-cylinder engine full of eager pep for traffic, wonderfully economical on the open road.

Pontiac is a striking beauty! No car is more distinctively styled than a Dual-Stroke Pontiac.

And what a buy it is! For all its size, roominess and 123-inch wheelbase, Pontiac is priced right next to the lowest. It's not only GM's lowest-priced eight, but is also offered with a remarkably economical six at even lower cost.

It all adds up to this: As an eight or as a six, dollar for dollar you can't beat a Pontiac. Come in and see for yourself!
