HE WINS AN
AGRICULTURAL
SCHOLARSHIP

Mr. Charles Spriggs of Kennard participated in the cotton production improvement program which was directed by the Texas Future Farmers during the 1952-53 season. Because of his excellent work and outstanding achievement in this program, Charles received, while he was attending an FFA meeting at Fort Worth on July 24, a call that he had been selected as one of the winners in this program.

Since Charles was one of the winners in this program, he will receive a \$200 agricultural scholarship under the sponsorship of Anderson, Clayton and Company of Houston. This scholarship award may be used by Charles in connection with a regular agricultural course in one of the agricultural colleges that are listed on the certificate.

Charles, who graduated from the Kennard school last year, is the first student from that school ever to receive such an award. Charles, who is a member of the FFA chapter at Kennard, has been cultivating cotton since 1928 with three rows. He raised these rows from three culms. The same year he cultivated eight acres of cotton. In 1949 his cotton acreage grew from eight to ten acres over the previous year. This year he owned one calf for show, and his herd consisted of six head of stock. In 1950 he cultivated eight acres of cotton, bought a shorthorn bull, sold five calves, kept the heifers and closed out the year with seven head of cattle, one horse, one tractor and equipment.

STUBBLEFIELD
COMMUNITY HAS
HOMECOMING

H. B. Milburn, Commenting. The people of the stubblefield community of Stubblefield have once again held a homecoming for former school children. The homecoming this year was held on Sunday, July 26, at the little church house in the Stubblefield community, and some 400 people attended. Due to sickness and things beyond anyone's control, there wasn't but three of the older school teachers present. These were Mrs. Lee Gallant, Miss Birdie Lee Payne and Mrs. Neoma English.

The occasion of this homecoming is to bring together the former school children, who formerly went to school in the Stubblefield community; and, year after year, these people make a repeated pilgrimage to this beloved spot to talk over, or revive, cherished memories of the past. Dip into these memories, as they do—for a minute, an hour or for an entire day; these people find that certain something called a bit of charm that seems to satisfy their hearts, and please them very much; in fact, in talking of this homecoming to anyone who has attended this celebration you will find that their face seem to light up with joy as they reflect on the occasion, as they tell of the good times they have had with former school friends and associates there.

From all we heard we can tell you that the people at the Stubblefield school community celebration had a wonderful time Sunday, so much so that it would make anyone practically green with wishing that they had been there, too, just to hear them talk about it.

And now that this celebration is over, they are all looking forward to the homecoming in 1954. Mrs. Spriggs, who was mentioned in connection with the expectation of three barbed calves for next year's homecoming.

Honored With Shower.

Miss Vera Jo Bennett was honored with a miscellaneous shower July 24 by Mrs. William Hutton of New Boston, Texas. Refreshments of punch and cake, emulsified with white icing and pink roses, were served from a table laid with lace cloth and arranged with other candlelight holding pink candles. Some 30 guests attended.

RECREATION
SUMMER PROGRAM
CLOSED FRIDAY

Crockett's Summer Recreation program closed Friday with a picnic at the park for the children. For six weeks of this program children have enjoyed daily activities at the park and at school under the personal supervision of Mr. Galen Stewart and Mrs. Beulah Best and Mrs. Marcus Mason, besides a score of helpers. Activities for the six weeks included softball, volleyball, tennis, general playground activities, folk games, horseback riding, croquet, croquet, story-telling, washers, twirling, old maid, picture dominoes, animal runway, bingo, checkers, ring toss, table tennis, darts and tumbling.

ENGRAVED
CERTIFICATE
TO BE RECEIVED

John H. Monroe, teacher of vocational agriculture in the Kennard High School, has been singled out by the Vocational Agriculture Teachers' Association of Texas to receive a ten-year distinguished service award. Mr. Monroe will receive an engraved certificate in recognition of his ten years of outstanding service as a teacher of vocational agriculture in the public schools of Texas. Awards are made only to vocational agriculture teachers who have rendered outstanding service to their communities and to the state of Texas over a period of years.

Mr. Monroe was selected by the association because of his organization program for agricultural improvement in the Kennard community. He will receive his certificate on August 6 at the annual meeting of the association at the Adolphus hotel in Dallas.

Other teachers of east Texas who are to receive the engraved certificate for ten years of service are: William M. Ray of Hempfield, John W. Lowe of Kilgore and Allen McCarty of Cushing.

Friends of Charles Jones, son of Mr. and Mrs. C. W. Jones of this city, will be glad to learn that he is recovering nicely from a recent hospital in Marlin. Charles lives in California, and his illness is attributed to the injuries received at that time. His friends here are at one in wishing him a speedy recovery.
