What Does U.S.P. Mean to You...

It Means That Your Doctor Relies Upon our Prescriptions

U.S.P. means U.S. Pure. It is the identifying symbol placed by the United States government on drugs certified free from all adulteration or impurity. When U.S.P. drugs are used in a prescription it means that your doctor can rely upon them to do precisely what he expects them to do. It goes without saying that we use only U.S.P. ingredients in all our work.

IN MEMORIAM.

Arthur Melvin Fain passed away Sunday, August 30th, 1953, at his home in Houston. He spent his early life in Crockett, graduating from high school in Crockett. He attended A. M. College, later attending Sam Houston State College in Huntsville for two years. After having been employed by Humble Oil & Refining Company for twelve years he entered the United States Army and after training at Fort Belvoir, Virginia, was sent overseas to Calcutta, India, where he was placed in an office in charge of the drafting room, later being transferred to Assam, where he was attached to the Seventh English Army. He returned to the states late in 1945, resuming his work with Humble Oil & Refining Company of Houston until his death. After several months' rest he was employed by the Dow Chemical Company, at the time of his death he was connected with an engineering company in Houston.

He is survived by many friends and loved ones saddened by his passing. It seems strange that the all-wise Providence should see fit to call this young man away, but God knows best, and our Saviour once told his Disciples "What I do now thou knowest not, but thou shalt know hereafter."

There is no death; although we grieve when dear familiar forms that we have loved are torn from our embracing arms. He is not dead; he has but passed beyond the mists that blind us here into the new and larger life of that unseen sphere.

One Who Loved Him.

Joseph Reaney invented the hoist, a called because he was disabled a one-man hoist.

BULLDOGS HOLD TRINITY TIGERS TO 6-6 TIE HERE

The Crockett High Bulldogs got the jump on the Trinity High Tigers Friday night at Bulldog Stadium, in their first football game of the season, and held on until the last five minutes of the game, when the visitors tied it up. Then both teams were too tired to muster an offense.

After an invocation by Rev. W. E. Vaughn, pastor of the First Baptist church, and the school songs, the captains met in the center of the field and Trinity called the toss.

Crockett elected to receive and Trinity chose the west goal. After the kickoff, Crockett moved into Trinity territory on two first downs, but a safety penalty forced a punt. Trinity got the first down, but had to punt. After one first down, Jerry Arledge broke off left tackle and went 27 yards for a touchdown. Philip M. Clark's pass to John Lock took failed to connect on the extra point try. Tim Arledge had blocked on the second try.

To start the second period, John Arledge ran on fourth down from punt formation as he was rushed and reached the Trinity 42 yard line. The Tigers punted up another first on the Crockett 44, but the Bulldogs broke Crockett's offense failed and Trinity had the ball in Crockett's end of the field after Arledge's punt. After two first downs, Cro
