Security office. In some cases, James
indicated, delay in filing an [appilcation]
[uncertain] until the [laat] [uncertain]
three months of the year may result in
somewhat lower monthly old-age
Insurance pay- meets. But, he emphasized,
the prob- lem is limited to only a few of
the self-employed persons retiring this
year, and [dors] [uncertain] not at all
affect in- dividualr-who intend to continue
op- [erating thelr] [uncertain] business
after this year. Social security payments
are tied in to the individuals average
monthly earnings over the years since
1950, when social security coverage was
ex- tended to the self-employed. Average
earnings are figured by dividing the total
earnings covered by social se- [curity]
[uncertain] by the number of months
elapsing after 1950. Blnce, under the law,
earning from self-employment are
reported and counted only once nm
